**STATUS INQUIRY**

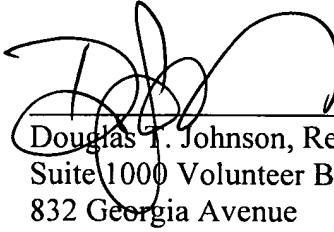

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that we be advised as to the status of the above-identified application. The patent application was marked abandoned on November 18, 2002 for failure to respond to the April 19, 2002 final office action. On December 10, 2002 a Petition for Revival, a Request for Continued Examination and a Response to the April 19, 2002 office action were filed with the Patent Office. On January 2, 2003 the Petition to Revive was granted and the file was forwarded to Technology Center Au 3627 for processing the request for continued examination. We have heard nothing from the patent office since we received the January 2, 2003 decision granting the petition to revive the application.

Respectfully submitted,  
Miller & Martin PLLC
